CONTENTS

	Page
Letter of submittal.....	vii
Introduction.....	1
PART I	
History of the Amazon rubber industry.....	3
Beginning of the industry.....	3
Government-aid projects.....	4
Crop diversification after rubber crisis.....	6
Investment of foreign capital.....	7
Present state of native (wild) rubber industry.....	7
Hevea.....	9
Caucho.....	16
Collection and preparation of Hevea.....	17
Collection and preparation of caucho.....	23
Cost of production.....	23
The marketing of rubber.....	26
Transportation and communication.....	32
Future and potential production of wild rubber.....	38
Possibilities of plantation development.....	41
Planted areas now existing.....	41
Planted rubber examined.....	44
Topography.....	50
Soils of the Amazon region.....	55
Character of lands most suitable for rubber.....	76
Climate.....	77
Source of seed for planting.....	84
Population.....	84
Labor.....	85
Health and sanitation.....	93
Vegetation.....	94
Diseases and pests attacking rubber.....	98
Cost estimates.....	101
Ownership of land and land laws.....	111
Export duties and taxes.....	113
Amazon Valley and Middle East compared.....	114
Topography and soils.....	114
Climate.....	115
Seed—Growth of trees—Timber.....	115
Diseases of trees.....	116
Labor and wages.....	116
Health and sanitation.....	117
Capital costs.....	117
Land tenure.....	119
Land taxes.....	119
Export duties.....	120
Political status.....	120

Other industries and resources.....	12
Agricultural products.....	12
Forest products.....	12

PART II

1. Islands and Para.....	12
Location and area.....	12
Physical features.....	12
Climate.....	12
Population.....	12
Labor.....	12
Health and sanitation.....	12
Vegetation.....	12
Wild rubber.....	12
Other industries and resources.....	12
Transportation and communication.....	12
Port of Para.....	12
2. Lower Amazon, South.....	14
Location and area.....	14
Physical features.....	15
Climate.....	15
Population.....	16
Labor.....	16
Health and sanitation.....	16
Vegetation.....	16
Wild rubber.....	16
Other industries and resources.....	16
Transportation and communication.....	16
Ownership of land and land laws.....	16
3. Lower Amazon, North.....	18
Location and area.....	18
Physical features.....	18
Climate.....	18
Population.....	18
Labor.....	18
Health and sanitation.....	18
Vegetation.....	18
Wild rubber.....	18
Other industries and resources.....	18
Transportation and communication.....	18
Ownership of land and land laws.....	18
4. Upper Amazon, North.....	218
Location and area.....	218
Physical features.....	214
Climate.....	217
Population.....	217
Labor.....	217
Health and sanitation.....	217
Vegetation.....	217
Wild rubber.....	224
Other industries and resources.....	227
Transportation and communication.....	227
Port of Manaus.....	238
