RIO DE JANEIRO, AUGUST 20th, 1901.

Notice is hereby given that Mr. A. J. Lamoureux has given his procuracy to Sr. Arnaldo José Dias de Miranda for the administration of The Rio News, and to Sr. Manoel Joaquim Moreira Maximino for the administration of his printing office, known as the Typographia Aldina, during his absence. The procuracy given to Mr. Frederick Pfeiffer is hereby revoked.

By executive decree the government has made a deficiency appropriation of 250,000\$ for public relief.

The new Italian minister to Brazil is reported to have asserted that Rio de Janeiro is a ville de cochons.

The receipts of the Mandos custom-house amounted last month to 468,560\$29 against 446,897\$36 in July, 1900.

The Correio da Manha publishes complaints against the new administration of the Lloyd Brasileiro Co.

Many of the municipal councils of Pernambuco have protested against the contract with the Great Western of Brazil Railway Co.

In the chamber of deputies on Saturday there was introduced a bill for repealing the authorization for the lease of the Central Railway.

The Gazeta de Noticias claims to be authorized to state that under no circumstances whatever will the Central Railway be leased.

By order of the Brazilianische Bank für Deutschland there will be sold at auction on Thursday next steamers belonging to the Empresa Brasileira.

The new Italian minister to Brazil is said to have instructions for taking steps to secure the payment of arrears of indebtedness to Italian colonists in this country.

The Brazilian government is notoriously the most corrupt government on the face of the earth. This statement is attributed to a shareholder of the Bahia and S. Francisco Railway Co.

According to a writer in the Correio da Manha President Campos Silles has recently taken the precaution to sleep at the house of the minister of war, which, adds the writer, has been strongly guarded.

In view of the attitude of retail merchants, who intend asking the municipal government for measures protecting them from the competition of peddlers, the latter have decided to form an association for defending their interests.

The Military Club has sent a telegram to Julio de Castilhos saying that it considers him the leading statesman of Brazil, on whom centre the hopes of all republicans. Evidently the closing of the club has not cured it of its fondness for politics.

President Campos Silles has sent a message to congress asking for a special appropriation of 2,000,000\$ for compensating the National Brazilian Harbor Co. for the annulment of its contract for port improvements at Jaraguá. The Correio da Manha claims to be informed that the appropriation solicited covers a job.

It was rumored last week that there were strikes on the Central Railway and at the Santos docks and a resolution in Pernambuco, although the reports proved to be incorrect, it is possible that they were not altogether without foundation, for it is stated that the police force and garrison of Rio de Janeiro were held in readiness and the palace guard reinforced.

—We can assure American statesmen," says the Buenos Aires Herald, "that South America has a most profound distrust of Pan-Americanism, and of the glittering generalities of professed friendship, and it is universally thought in this part of the world that the Monroe doctrine is as dead as the Declaration of Independence, or American disinterestedness in Cuba."

In consequence of the disclosures made by the Correio da Manha, Dr. Torres Cotrim, two other municipal physicians and a municipal veterinary surgeon have been suspended from office by the prefect of the Federal District. The charge made against these officials is that they have accepted bribes from the meat contractors and permitted diseased meat to be offered for sale. If it is proved that the charge is unfounded, they will be reinstated.

At a meeting of retail merchants last week there were well-founded complaints of burdensome taxation and of a large decrease in sales. Retailers also complain of the competition of peddlers, who, they assert, are underselling them. They intend asking the municipal government for measures that will free them from this competition; but, in our opinion, they would better subscribe their own interests and those of the public by endeavoring to obtain relief from the oppressive burdens that are imposed upon them.

There is no portion of the vast territory of Brazil," said Col. W. B. At, chairman of the general meeting of the shareholders of the Brazil Great Southern Railway Co., held in London on the 9th ult., "more adapted to European settlement than Rio Grande do Sul, which only wants population to make it surpass the Argentine Republic in the raising of grain, fruit, tobacco or any other products of the soil as well as in the production of beef, mutton, hides and wool."

CORRESPONDENCE.

EMPERESS FREDERICK OF GERMANY.

A memorial service to the late Dowager Empress Frederick of Germany was held in Petropolis last week Messrs. C. F. Hargreaves and T. G. Cross forwarded to the German Minister through the medium of His Excellency Sir Henry Nevill Dering K. C. M. G. C. B. a wreath of artificial flowers with the inscription "A Memorial—Empress Frederick of Germany. From British residents Rio de Janeiro" in response to which the following correspondence has been received:

Petropolis, August 13th 1901.

Gentlemen: I beg to acknowledge the receipt of your letter of yesterday's date, as well as that of a case containing a wreath which, on behalf of the British residents in Rio, you have been good enough to forward me, as a token of respect for the late Dowager Empress Frederick of Germany, for presentation to the German Minister.

I had much pleasure in forwarding the wreath in your name to His Excellency last night, and transmit you now a copy of Her Majesty's reply, in which he asks me to say to you that he is sincerely and heartily pleased to express to you his kind remembrance, thanks for the wreath, which he proposes, after this evening's Memorial Service, to forward to Berlin to be laid upon the tomb of our regretted Princess Royal.

I remain, Gentlemen, yours very faithfully,

HENRY NEVILL DERING

H. M's Envoy Extraordinary and Minister Plenipotentiary Messrs. Hargreaves and Cross, Rio de Janeiro

German Legation,

Petropolis, August 12th 1901.

Monsieur le Ministre et cher Collégué,

It is with the deepest gratitude and satisfaction that I received the touching manifestation which the British residents in Rio de Janeiro have prepared for the memory of H. I. M. the Empress and Queen, Messrs. Hargreaves and Cross, and I am glad to be able to communicate to the donors my sincerest and heartiest thanks for their kind remembrance and loyalty. After the memorial service I shall send this beautiful token to Berlin to be laid on the tomb of the illustrious Deceased, and call the attention of my Government to this token of affectionate and respectful faithfulness of British Subjects to their Princess Royal.

I have the honour to be, Your Excellency's devoted friend & colleague.

C. VON TREUTLER.

His Excellency SIR HENRY DERING K. C. M. G. C. B.

British Legation, Petropolis, Aug. 19th, 1901. Gentlemen:

With reference to my letter to you of the 13th inst., I have now the pleasure of forwarding you a copy of a letter I have just received from the German minister in this country informing me that he has been instructed to convey to the British residents in Rio the sincerest thanks of His Imperial Majesty, the Emperor William, for the wreath which is presented as a token of respect to the memory of Her Imperial Majesty the Empress Frederick, Princess Royal of Great Britain

and Ireland. I shall be glad if you would bring the contents of the enclosed letter to the knowledge of the several donors of the wreath.

Believe me, Gentlemen, Yours very faithfully, HENRY NEVILL DERING.

Messrs. Hargreaves and Cross, Rio.

German Legation,

Petropolis, August 19th, 1901.

Monsieur le Ministre et cher collègue,

I am instructed to convey the sincerest thanks of His Imperial and Royal Majesty the Emperor and King for the wreath which was presented by the British residents in Rio de Janeiro as a token of respect to the memory of Her Imperial Majesty the Empress-Queen Frederick.

I have the honor to be Your Excellency's devoted friend and colleague,

VON TREUTLER.

His Excellency Sir Henry Dering, Bart. C. B.

THE RIO SPORTS.

The 4th annual athletic meeting of the Rio Cricket and Athletic Association was held on the nearby ground on the 15th inst.

Unfortunately, we noted a certain falling off in the number of spectators present, as compared with former years, but this we are to attribute to apathy, on the part of our small British and American community, as well as to the fact that the popularity of this, the only gathering at which practically the whole colony can come together, is on the wane, but rather to a combination of circumstances in which business and no doubt the high temperature of the day played a conspicuous part.

It was flattering to see visitors present from as far away as Tijuca, while His Excellency Sir Henry Dering, in response to an invitation to be present, courteously replied, that he much regretted the inability of Lady Dering and himself to be present to witness the sports on account of the death of the dowager Empress Frederick of Germany.

At this point we must not omit to record our thanks to that Rio sportsman, Mr. Tom Nicholson, to whom we are all indebted for his exertions in buying an excellent assortment of prizes, short notice the excellent assortment of prizes, the grounds, as always in excellent order, were made gay with bunting, and with the presence of fair women and brave men whose number was estimated at about 400.

The proverbial photographers were of course in evidence taking snapshots in all directions, and the band discoursed sweet music in excellent style. The buffet and general arrangements were everything that could be desired.

Among those present we noticed, Mr. and Mrs. Whyte, Miss Whyte and Miss Corina Whyte, Mr. and Mrs. Queimell, Mr. and Mrs. Gaddes, Mr. and Mrs. Hadden and Miss Hadden, Mr. and Mrs. Rolls, Mr. and Mrs. Misses Bryan, Mr. and Mrs. Benet, the Rev. Mr. D'Arcy and Mrs. D'Arcy, Mr. and Mrs. Alfred Hime, Mr. Geo. Cox, Mr. and Mrs. Miss Hastings, Mrs. Pierz, Mr. and Mrs. Philip Swanwick and Miss Robinson, Mr. Philip Swanwick and Mrs. Robinson, Mr. and Mrs. Dawson, Mr. and Mrs. Mitchell, Mr. and Mrs. Jungstedt, Miss Swilchenbank, Mr. and Miss Cazaly, Mr. and Mrs. Taylor and Miss Matheson, Mrs. and Miss Fox, Mr. and Mrs. and the Misses Darlot, Mr. and Mrs. Hall and Miss Deania Robinson, Mr. and Mrs. Broad, Mr. and Mrs. Francis and Mrs. Emery, Mr. and Mrs. Simmonds, Mr. and Mrs. Allen, Mr. and Mrs. S. F. DeBulness, Mr. and Mrs. Mackay, Mr. and Mrs. Jessop, Mr. and Mrs. Gordon, Mr. and Mrs. Pryor, Mr. T. G. Cross and Miss Dorrie Cross and Master Dennie Cross, Mrs. and Miss Castro, Mrs. and the 3 Misses Liberali Pinto, Miss Passos, Miss Henderson, Messrs. Dickson, Crummock, John Gordon, N. B. Dickson, Messrs. Saunders, Armstrong, Applin, Arthur Youle, Rishworth, C. Brooke, Applin, Arthur Youle, Rishworth, C. D. Campbell, Allan, Wilmot, Fletcher, H. Lynch, C. Lynch, Browne, D. D. Keay and more than others whose names we are unable to mention but which included a good sprinkling of Brazilian families who took a great interest in the sports.

The competition was as good, if not better, than has been the case during the last three meetings, but a noticeable absentee was Matheson whose finished running has been a feature in the short distances. The best all round man of the day was undoubtedly Pierce, who secured no less than four first prizes.

His throw of the cricket ball of 103 yds. 6 in. we have not seen equalled during a long residence in Brazil.

No one will grade the next place to Ames, whom all welcomed into the competitions the more keenly as being the representative of the "Stars and Stripes."

He proved himself a finished athlete, winning "Putting the Weights" with 33 feet, and the high jump (after a very close competition with Caswood Robinson) with 5 feet.

He was very close on Pierce's track for the cricket ball and long jump, and we expect even better things from him next year.

Third place should be given to Burgis, who won the quarter and half mile in good style, and in times that may be considered creditable for this semi-tropical climate.

The following is a complete list of the events which were carried through with characteristic punctuality under the able manage-

ment of the two secretaries, Messrs. G. H. Lomas and H. P. Wright, on whom the weight of the responsibility fell, and to whose untiring efforts the success of the meeting was largely due.

1.—100 Yards Flat Race (Final heat).

1. C. L. Robinson.

2. M. Naegeli.

N. W. Jackson and C. Pullen, who were eligible for the final, did not compete.

There was trouble with the pistol at the start, but Robinson eventually got away first and won a good race by a yard. Time 11 3/5 sec.

2.—Throwing the Cricket Ball.

1. H. G. Pierce.

2. E. W. Ames.

Pierce won with the fine throw of 103 yards 6 inches. Ames was a good second.

3.—Putting the Weight (16 lbs.).

1. E. W. Ames.

2. N. W. Jackson.

Ames won with a put of 33 feet; Jackson an excellent second with 32 ft. 9 in.

4.—220 Yards Handicap.

1. J. T. Monteth (12 yards).

2. M. Naegeli (9 yards).

Eight started, and the race was well competed, for Monteth never lost the lead and won a good race by 3 yards. Time 26 sec.

5.—Long Jump.

1. H. G. Pierce.

2. E. W. Ames.

A dead heat until the last jump when Pierce beat his man by four inches.

Distance 17 ft. 9 in.

6.—3 Miles Bicycle Race (Handicap)

1. G. Madet (Scratch).

2. L. Fallet (Scratch).

Only four competed, and they were all Brazilians. Eleven laps had to be run; the scratch men caught up with the other two at the fourth lap, when the pace became slow until the last two laps. Madet shook off his opponent in the last two yards, winning a good race by ten yards. Time 9 min.

7.—High Jump.

1. E. W. Ames.

2. C. L. Robinson.

A well contested event. The two men tied at 5 ft., and on jumping off Ames won with a jump of 4 ft. 11 in.

8.—Quarter Mile Flat Race.

1. Burgis.

2. Monteth.

Burgis running in excellent style quickly took the lead which he had no difficulty in maintaining to the finish. Time 58 3/5 sec.

9.—Boys Race.

1. Olympio Rocha.

2. H. Aspinall.

A big field turned out, and the youngster ran hard for his victory.

10.—Girls Race.

1. Corina Cox.

2. Isabel Dalt.

Miss Cox, who, as is well known, comes of a sporting family, won a popular victory.

11.—Six's Race.

1. H. G. Pierce.

2. R. H. Robinson.

Pierce romped in an easy winner by 10 yds.

12.—Half Mile Flat Race (Open).

1. F. Burgis.

2. E. A. Tootal.

Burgis displayed good form in this again in the quarter. He held his opponents well in the straight. It was a good race for second place, but Tootal sticking grimly to his work was a game second. Monteth gave up.

Time 2 min. 15 sec.

13.—Sleep Race.

1. H. G. Pierce.

2. M. Naegeli.

3. R. H. Robinson.

This race was about 350 yards, and the course had been under the special superintendence of O. W. Rollis who gave the competitors some curious obstacles to negotiate, making the race a great attraction. Jeffries, with whose versatile talents the public are so well acquainted, looked dangerous at the half distance but had to give way and Pierce won easily. Robinson made himself at home in the water jump.

14.—Jerusalem Donkey Race.

1. C. L. and R. H. Robinson.

2. E. A. Tootal and H. L. Wheatley.

Won easily. This race created great amusement, and there was a slight rush at the finish, Tootal's donkey throwing his rider against Mr. Judge Hime with fortunately no serious results.

15.—Blind-Fold Race.

1. H. L. Wheatley.

A very amusing race, the competitors, who had to run about 100 yards blindfold in a straight line, going off at various tangents; the winner was the only one to find the tape.

16.—Tug of War. Rio r. Nietheroy.

The best tug we have seen between these old rivals, resulting in a win for Nietheroy by two pulls to one.

The sides were very evenly matched and we think that this event was somewhat overdone, many of the competitors completely collapsing.

The stewards were Messrs. Ashbrooke, Bryan, Johnson, Evers, Cox, Keay, Swanwick, Tootal, Wheatley, Rolls, Reeves, and R. Morrissy.

The judges were Messrs. F. Broad, A. Hime and Tom Cross.

Starters—Messrs. Hampson, Francis and C. Jackson.

Timekeepers—The Rev. John D'Arcy, Deacon and A. MacMillan.

All of whom discharged their duties to an able and satisfactory manner. The proceedings terminated at 4.30 with the distribution of prizes by Mrs. Alfred Hime, which she did in her most graceful manner.

Everyone united in congratulating the secretaries and their willing assistants on a most successful day sport.

AMATEUR THEATRICALS IN NICTHEROY.

A great art critic, perhaps the greatest that the world has ever seen, once decreed that wood painting is bad art. Scenic descriptions are not the province of literature in the same way that a picture need not tell a story.

But modern usage ordains that there should be a picture, also, and we have seen few prettier ones than that on which the curtain rose at the International Club in Nicttheroy on last Saturday evening.

The play was called 'My Lord in Livery,' and represented the winning of a bet laid by a young sprig of nobility, a midddy from H.M.S. 'Phegionthos.' He had wagered that he would win a half-hour's acquaintance be given a ring by one of the three pretty denizens of Sir George Amberley's country house.

To achieve this difficult task he devised the scheme of bribing a new footman to let him temporarily take his place, but the ladies were warned by a letter and they hit upon the idea of frustrating his intention by disguising themselves as lady's-maid, parlour-maid and cook.

How the real footman was taken for the lord and was made much of by the ladies—how the butler got it into his poor old faithful doddering head that both the real footman and the Lord in Livery were burglars—and how the midddy took advantage of the mistake to extract the ring—the story told.

The exponents performed admirably, and the Miss Sybil of Mrs. Thomson was above criticism. She was the soul of the piece and was dignified even when thoroughly entering into the spirit of the jest.

Mr. Thomson, as the real footman, took the smallest part, but showed that he was worthy of the best and it is to be hoped that he will in the near future give us something more suitable to his undoubted talents.

We understand that he was stage manager, and if so is to be heartily congratulated on bringing his company to work so well together and on the perfection of the arrangements.

Mr. Toolal knew his work and worked hard, but never seemed quite at home in his part, and why, oh why, did he keep on hitching up his breeches? Such business is only fit for a low comedy A. B. in a nautical burlesque.

A word of praise to Master Campbell, who made a capital page.

As a curtain raiser, Box and Cox caused considerable merriment, and Mr. Wilson's 'Box' was a great success. He lacked soon a little at first, but he warmed into his work, and his scene with Cox, when the latter was telling his story, fairly brought down the house.

never 'stagny,' his gestures were perfectly natural and showed a huge sense of humour. Cox was very funny, but the part was perhaps just a trifle exaggerated and reminded one of lines of Dan Leno.

Mr. Ross Napier should keep to comedy where he excels. The Mrs. Bouncer of Miss Robinson was very well done, but if she would allow an old stager to criticise we would suggest that the conception was hardly 'bouncing' enough and just a little too refined.

Miss Robinson could not forget that she was a lady, and the necessary touch of vulgarity was wanting. In conclusion we would thank Mr. Thomson and the ladies and gentlemen who assisted him for a most enjoyable evening; we all had a hearty laugh and went away wondering when they would give the next performance and hoping it would be soon.

THE RIO NEWS.

This paper is now in its 24th year having originally been published as *The South American Mail* and *The British and American Mail*. It assumed its present title at the beginning of April, 1879, when it was published three times a month. From tri-monthly it has been changed to a weekly publication, and from four pages it has been increased to twelve.

As an advertising medium *The News* occupies an exceptionally advantageous position. It circulates widely throughout Brazil, and also in Europe and the United States. Its subscribers are principally business men interested in Brazilian trade, industries and investments. No other periodical, even with much larger circulation, can offer better inducements to advertisers who seek the attention of these classes. All communications should be addressed to the Editor and Publisher, Caixa do Correio, 258, Rio de Janeiro.
